TRCS FAQ 4th Edition - 5/28/2020

We wanted to continue this platform for our FAQ page, realizing that with the close of the 2019/2020 school year and summer vacation upon us new questions that have begun to arise. TRCS will continue to update this document with information as we begin planning for 2020/2021.

TRCS continues to work with the CDC, our local health officer, and CDE to support a healthy and safe return for our students and staff to the TRCS campus.

TRCS continues to plan for our first day of school, **August 12, 2020**.

We don't know what our return to our school campus will look like, yet, but CDE has been actively seeking input from schools. TRCS will be sending out a survey (through the TRCS App) once we are provided with more direction (mid-June) to assist us in planning and timelines for school opening.

We are eager to begin planning and the start of this school year!
