

STAFF-STUDENT BOUNDARIES POLICY

DISCIPLINARY PHYSICAL CONTACT WITH STUDENTS

It is the policy of Twin Rivers Charter School that no teacher or other staff member will use corporal punishment against a student. This prohibition includes spanking, slapping, pinching, hitting, tying, taping, or the use of any other physical force as retaliation or correction for inappropriate behavior.

STAFF-STUDENT INTERACTIONS

While the use of appropriate touching is part of daily life and is important for student development, teachers and other staff members must ensure that they do not exceed appropriate behavior. If a child or other staff member specifically requests that he or she not be touched, then that request must be honored without question.

Boundaries Defined

For the purposes of this policy, the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing beyond the boundaries of a student-teacher relationship is deemed an abuse of power and a betrayal of public trust.

Acceptable and Unacceptable Behaviors

Some activities may seem innocent from a staff member’s point-of-view but could be perceived as flirtation or sexual insinuation from the perspective of students or parents. There is no single reasonable person standard. The purpose of the following lists of unacceptable and acceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to or may be perceived as inappropriate, or sexual misconduct, or “grooming.” Grooming is defined as an act or series of acts by a sexual predator to gain physical and/or emotional control by gaining trust (of staff and/or family and a minor) and desensitizing the minor to various forms of touching and other intimate interaction.

Staff members must understand their own responsibilities for ensuring that they do not cross the boundaries as written in this policy. Violations could subject the teacher or staff member to discipline up to and including termination. *Disagreeing with the wording or intent of these established boundaries will be considered irrelevant for any required disciplinary purposes.* Thus, it is critical that all employees study this policy thoroughly and apply its spirit and intent in their daily activities.

Boundaries Reporting

When any staff member, parent, or student becomes aware of a staff member (or volunteer, guest, vendor) having crossed the boundaries specified in this policy, or has a strong suspicion of "grooming behavior," he or she must report the suspicion to the Superintendent/Principal or designee promptly. "Grooming behavior" is an attempt to build an emotional and/or physical connection with a minor to gain their trust for the purpose of sexual abuse. "Suspicion" means something perceived in spite of inconclusive or slight evidence. It is based on facts that would lead a reasonable person to believe that a violation of the boundaries policy occurred. Prompt reporting of "unacceptable behaviors" observed in adult interactions with minors is essential to protect students, staff, any witnesses, and the school as a whole. When observant staff members call attention to a boundaries violation(s), the likelihood of harm is greatly reduced.

Child Abuse / Sexual Abuse Reporting (Mandatory Reporting)

If, within your professional capacity or within the scope of your employment, you observe or gain possession of knowledge that a child has been a victim of child abuse or sexual abuse (or you reasonably suspect it), **California Penal Code Section 11166 requires YOU to immediately**

report this information or suspicion directly to your county child protective agency (CPS) or local police/sheriff. The report shall be made by phone immediately, and a subsequent written report must be sent within 36 hours of your knowledge or suspicion of the abuse.

You do not need permission to report. No supervisor or administrator can impede or inhibit a report or sanction you for making the report. Your report is confidential, and you are protected from liability as long as you do not discuss the matter with anyone other than law enforcement, CPS and your school's designated responsible administrative person. Failure to meet your reporting obligation can result in a monetary fine and/or jail.

Internal reporting to the Superintendent/Principal or designee occurs after the phone-in report is made to the police/sheriff or CPS.

Internal Investigations

The Superintendent/Principal or designee will promptly communicate with the investigating enforcement agency to determine whether an investigation will be conducted by that agency. The administrator will confirm with law enforcement as to whether the initiation of an internal school investigation would interfere with any criminal investigation. Only law enforcement has the authority to grant clearance to investigate the matter administratively.

Upon receiving information from the mandated reporter, the designated responsible administrator must take immediate action to stop the alleged inappropriate conduct by removing the employee (or volunteer/vendor/guest) from the classroom or worksite when there is a potential risk to student or school safety. The Superintendent/Principal or designee shall consult with legal counsel as appropriate, prior to, during, and after conducting any investigation.

Consequences

Staff members who have violated this policy will be subject to appropriate disciplinary action, and where appropriate, will be reported to authorities for potential legal action.
